11:30 AM: 9/11 Museum Tour Begins

5:00 PM: Bus Leaves New York

The National September 11 Memorial Museum opened to memorialize those who lost their lives and to ensure that the world will "never forget." The museum has 110,000 square feet of exhibition space within the archaeological heart of the World Trade Center site. The museum is a tribute to the victims, to the survivors -- and to their loved ones. ~ newyork.com
